Algues																										
Lithothamnium coralloides		Fa01			X																					
Phymatolithon calcareum		Fa02			X																					
Lichens																										
Cladonia rangiferina (L.) G.H. Web.		Fl01			X																					
Cladonia arbuscula (Wallr.) Rabenh.		Fl02			X																					
Cladonia mitis Sandst. (SY Cladonia subsylvatica Stirt.)		Fl03			X																					
Cladonia mediterranea Duv. & des Abb		Fl04			X																					
Cladonia stellaris		Fl05			X																					
Bryophytes																										
Bruchia vogesiaca		1385	X																							
Buxbaumia viridis		1386	X																							
Dichelyma capillaceum		1383	X																							
Dicranum viride		1381	X																							
Hamatocaulis vernicosus		1393	X																							
Leucobryum glaucum		Fb01			X																					
Mannia triandra		1379	X																							
Orthotrichum rogeri		1387	X																							
Riccia breidleri		1384	X																							
Riella helicophylla		1391	X																							
Sphagnum pylaisii		1398	X																							
Sphagnum L. spp.		Fb	X		X																					
Ptéridophytes																										
Isoetes boryana		1416	X	X																						
Botrychium simplex		1419	X	X																						
Trichomanes speciosum		1421	X	X																						
Asplenium jahandiezii		1423	X	X																						
Woodwardia radicans		1426	X	X																						
Marsilea quadrifolia		1428	X	X																						
Marsilea strigosa		1429	X	X																						

Lycopodiella inundata		Fp04			X																						
Huperzia selago		Fp03			X																						
Lycopodium annotinum		Fp01			X																						
Lycopodium clavatum		Fp02			X																						
Angiospermes																											
Aconitum napellus subsp. corsicum	*	1475	X	X																							
Anchusa crispa	*	1674	X	X																							
Androsace cylindrica		1631		X																							
Androsace pyrenaica		1632	X	X																							
Angelica heterocarpa	*	1607	X	X																							
Helosciadium repens		1614	X	X																							
Aquilegia alpina		1480		X																							
Aquilegia bertolonii		1474	X	X																							
Armeria soleirolii		1636	X	X																							
Arnica montana		Fs02			X																						
Artemisia eriantha		Fs03			X																						
Artemisia genipi		Fs04			X																						
Aster pyrenaeus	*	1802	X	X																							
Astragalus alopecurus		1557	X	X																							
Biscutella neustriaca	*	1506	X	X																							
Brassica insularis		1496	X	X																							
Caldesia parnassifolia		1832	X	X																							
Caropsis verticillatinundata		1618	X	X																							
Centaurea corymbosa		1801	X	X																							
Centranthus trinervis		1746	X	X																							
Colchicum corsicum		1836		X																							
Coleanthus subtilis		1887	X	X																							
Cypripedium calceolus		1902	X	X																							
Dracocephalum austriacum		1689	X	X																							
Eryngium alpinum		1604	X	X																							
Eryngium viviparum	*	1603	X	X																							
Euphrasia nana	*	1720	X	X																							
Galanthus nivalis		Fs05			X																						
Gentiana ligustica		1656	X	X																							
Gentiana lutea		Fs06			X																						
Gladiolus palustris		4096	X	X																							
Gouffeia arenarioides		1453	X	X																							
Herniaria latifolia subsp. litardierei	*	1466	X	X																							
Hormatophylla pyrenaica		1508	X	X																							
Kosteletzkya pentacarpos		1581	X	X																							
Leucojum nicaeense		1871	X	X																							
Ligularia sibirica		1758	X	X																							
Lilium pomponium		Fs07			X																						
Limonium strictissimum	*	1643	X	X																							
Linaria flava subsp. sardoa		1715	X	X																							
Lindernia palustris		1725		X																							
Liparis loeselii		1903	X	X																							

Luronium natans		1831	X	X																							
Narcissus bulbocodium		Fs08			X																						
Narcissus triandrus subsp. capax		1868	X	X																							
Omphalodes littoralis	*	1676	X	X																							
Potentilla delphinensis		1534	X	X																							
Rouya polygama		1608	X	X																							
Rumex rupestris		1441	X	X																							
Saxifraga florulenta		1527	X	X																							
Saxifraga hirculus		1528	X	X																							
Saxifraga valdensis		1522		X																							
Silene velutina	*	1465	X	X																							
Sisymbrium supinum		1493	X	X																							
Soldanella villosa		1625	X	X																							
Spiranthes aestivalis		1900		X																							
Trifolium saxatile		1545	X	X																							
Viola hispida	*	1585	X	X																							
Narcissus assoanus		Fs09			X																						
Serratula lycopifolia		4087	X																								
Ruscus aculeatus		Fs10			X																						
Reptiles																											
Algyroides fitzingeri		1240		X																							
Iberolacerta bonnali		1995	X	X																							
Caretta caretta	*	1224	X	X																							
Chelonia mydas		1227		X																							
Coluber viridiflavus		1284		X																							
Coronella austriaca		1283		X																							
Dermochelys coriacea		1223		X																							
Elaphe longissima		1281		X																							
Emys orbicularis		1220	X	X																							
Euleptes europaea		1229	X	X																							
Lacerta agilis		1261		X																							
Archaeolacerta bedriagae		1245		X																							
Lacerta bilineata		1263		X																							
Mauremys leprosa		1221	X	X																							
Natrix natrix corsa		1291		X																							
Podarcis muralis		1256		X																							
Podarcis sicula		Ar01		X																							
Podarcis tiliguerta		1246		X																							
Testudo hermanni		1217	X	X																							
Vipera seoanei		1297		X																							
Vipera ursinii		1298	X	X																							
Amphibiens																											
Alytes obstetricans		1191		X																							
Bombina variegata		1193	X	X																							
Bufo calamita		1202		X																							
Bufo viridis		1201		X																							
Discoglossus montalentii		1196	X	X																							
Discoglossus sardus		1190	X	X																							

Euproctus asper		1173		X																							
Euproctus montanus		1164		X																							
Speleomantes strinatii		1994	X	X																							
Hyla arborea		1203		X																							
Hyla meridionalis		1205		X																							
Hyla sarda		Ah01		X																							
Pelobates cultripes		1198		X																							
Pelobates fuscus		1197		X																							
Rana arvalis		1214		X																							
Rana dalmatina		1209		X																							
Rana kl esculenta		Ah02			X																						
Rana lessonae		1207		X																							
Rana perezi		Ah03			X																						
Rana ridibunda		Ah04			X																						
Rana temporaria		Ah05			X																						
Salamandra atra		Ah06		X																							
Salamandra lanzai		1179		X																							
Triturus cristatus		1166	X	X																							
Triturus marmoratus		1174		X																							
Poissons																											
Acipenser sturio	*	1101	X	X																							ATL MARIN (Défav
Alosa alosa		1102	X		X																						ATL MARIN - INCO
